MESSAGE FROM YOUR PRESIDENT

Thank you to Angie Biester (again) for the design and commitment to getting our new brochure ready and distributed. These brochures (the inside as shown above) can be obtained from any officer via mail and will be available at the zone conventions. They can also be emailed but would be much better hand delivered to new or prospective members with an invite to join.

With the recent new hires, each state should have some new support staff that can be contacted regarding NASE and what we do.

Thank you for allowing me to serve as President for 2014-2015.

The Zone meetings are an important part of the resolution process. There is also an added benefit in that you are able to meet with other employees and generally, you find out we are all struggling with the same concerns.

In the past, national officers did not make it to all of the meetings.

This year that will change!

Marilyn McMullen, National President and Angie Biester, National Vice-President are making arrangements for at least one of them to attend all of the zone meetings. We are doing this because we want to hear from you!

OUR organization is only as good as our members. We need you to submit your resolutions. There is a resolution form (page 1 attached) but if you don't have time, just send an email to your Zone representatives or National Officers.

We will complete them for you. The resolution form is available in fillable format.

Also, please consider attending the Zone meetings.

It is a guaranteed good time and will allow our association to become even better.
